ii. Executive Summary

[24 CFR Part 903.7 9 (r)]

At PHA option, provide a brief overview of the information in the Annual Plan

The Osceola Public Housing Authority's 2001 Annual Plan is a document that serves a number of purposes. First, the Annual Plan gives evidence that all mandatory policies and procedures have been addressed and will be implemented by the start of Fiscal Year 2001.

Policies and procedures are largely based upon directives from the Department of Housing and Urban Development. These policies will give incentive to the younger residents to further their education and work to become self-sufficient. As the census grows the income from wage earners grows also. Thus putting the Authority in a position of housing those who have been homeless and on welfare and are now part of the work force.

The elderly and disabled still are in the majority in the Authority. Mainly due to the lack of employment opportunities in the area for the younger population. Our Seniors are our mainstay for the Resident Advisory Board and Resident's Association.

The Annual Plan includes physical improvements to the 30 year-old units that are needed to modernize, market, keep the units in good repair and comply with the Annual REAC Inspection.

Included is a RASS Implementation Plan dealing with the Customer Satisfaction Survey. We make every effort to keep an 'open-door' policy with our residents and do not know specifically what they meant in the *Communication* portion of the survey we can only conclude that we will do our best to keep all residents informed and satisfied.

The Board of Commissioners and Management still places its highest priority on customer satisfaction. Many times there are differing opinions as to how a problem should be addressed, however with continued communication our problems can be solved in a satisfactory way for everyone.
